## Spring 2010 Best Tech Workplaces Winners Announced

**Novato, California (July 20, 2010)** – Success With People has announced the winners of its Best Tech Workplaces Spring 2010 survey. Over 275 employees of technology solution provider companies in the United States and Canada competed.

“Our team joins Microsoft, our sponsor, in being pleased to announce the Best Tech Workplaces winners for our Spring 2010 survey,” announced David Russell, CEO of Success With People. “The United States winners are [Davenport Group](#) of Minnesota and [Network Technology Solutions \('NTS'\)](#) of Florida. Our Canadian winner is [Xylotek Solutions](#) of Ontario.”

This is the first time there has been a best place to work-type of survey for technology solution providers. Companies can sign-up today for the Fall 2010 Best Tech Workplaces survey, which occurs in October-November, at [www.BestTechWorkplaces.com](http://www.BestTechWorkplaces.com). The survey is open to technology solution providers worldwide.

“It’s an honor to be recognized as one of the 2010 Best Tech Workplaces, along with some of the most well-known brands in the world,” said Sonia St. Charles, Chief Executive Officer of [Davenport Group](#). “We pride ourselves on providing great career opportunities, a dynamic environment and the unbridled freedom to serve our customers.”

“At [NTS](#), our primary goal as an organization is creating RAVING clients,” explained Scott Mallet, President. “To accomplish this, my management team works to fully engage our employees so they feel valued, their contributions are recognized and they are taking ownership for results. Our investment in our employees extends to quarterly certification training and testing which furthers their individual careers while at the same time propels our company in a best in class category throughout the industry! Winning the Best Tech Workplaces survey is great, but we are not stopping here. We will continue to invest in our people as we move forward.”

[“Xylotek Solutions](#) is pleased to accept this award as the top finishing Canadian company. The Xylotek team, from bottom to top, engenders the very best that our highly competitive industry has to offer,” says Douglas W. Grosfield, President and CEO. “Our end goals never change. We make it simple for our clients to solve their complex business challenges through our expertise and the efficient use of technology, while inspiring our entire team to continue to exceed their personal, familial, and career goals each and every day.”

The Best Tech Workplaces confidential, online, employee survey includes 58 general diagnostic questions, 3 open-ended questions, 8 demographic questions and up to 5 customized questions. Most questions are answered on a 1-5 scale. The surveys are conducted twice annually. It is a unique opportunity to better understand how to engage your employees and compare your organization to others in the industry.

The team behind this industry milestone includes best workplace guru Al Lopus, who has done comprehensive workplace surveys since 1997 for Nike, Starbucks, AT&T Wireless, HP, Tektronix and hundreds of other companies (large and small). In the past he has directed the analysis of over 800 organizations participating in the Washington’s Best Companies to Work For and Oregon’s 100 Best Companies to Work For programs.
