FOR IMMEDIATE RELEASE

Sonia St. Charles Davenport Group CEO Named to 2015 CRN Women of the Channel List and Power 50 Solution Providers

Saint Paul, MN, June 1, 2015 — Davenport Group is honored to announce Sonia St. Charles, CEO has been named to The Channel Company's prestigious 2015 CRN Women of the Channel List, and has been recognized for the second consecutive year as one of this year's Power 50 Solution Providers. Headquartered in St. Paul, Davenport Group is a leading IT Solution Provider, focusing on data center solutions, serving customers in more than 25 states.

Compiled by CRN, the annual Women of the Channel List honors outstanding female executives across vendor channel organizations, distributors, solution providers and other women prominently involved in the IT channel ecosystem for their successes and the far-reaching impact they are having on the technology industry going forward.

This year's Women of the Channel were carefully reviewed and selected by the editors of CRN based on their accomplishments and the influence they wield over the technology channel.

The Power 50 honors an elite subset of female executives at solution provider organizations who are extending their respective company's sphere of influence as trusted advisers.

"I am grateful to be recognized by *CRN Magazine* as one of the 2015 Women of the Channel. It is an honor to be surrounded by women who are well respected and are influencing the technology industry, said Sonia St. Charles, Chief Executive Officer of Davenport Group. "Davenport Group is built on the belief that when we both serve and stand by our customers, success will follow. This recognition is especially meaningful in this time of growth that continues to be driven by our talented employees, valued customers and trusted partnership with Dell."

"These executives have made a lasting mark on the industry, expanding the breadth of influence in the technology channel," said Robert Faletra, CEO, The Channel Company. "We congratulate the Women of the Channel, and celebrate their innovative contributions and commitment to the IT channel community."

The 2015 CRN Women of the Channel list will be featured in the June issue of *CRN Magazine* and online at www.crn.com.

About Davenport Group (<http://www.davenportgroup.com>)

St. Paul, Minn.-based Davenport Group, a Dell Premier Partner, creates strategies for storage management and data recovery. Using best-in-class technology systems, it designs cost-effective storage solutions that build on existing infrastructure to help organizations get control of their data.
