### **Davenport Group Ranks 71st on the 2019 CRN Fast Growth 150 List** *Recognition Earned for Exceptional Growth and Performance as an IT Channel Provider*

**St. Paul, MN, August 5, 2019** — Davenport Group, a Dell Technologies Titanium Partner and end-to-end solutions provider serving mid-market customers nationwide, is honored to announce [CRN®](#), a brand of [The Channel Company®](#), has named Davenport Group to its 2019 Fast Growth 150 list. The list recognizes the fastest-growing technology integrators, solution providers, and IT consultants in North America. Channel providers making the list have experienced substantial growth between 2017 and 2018. The companies recognized this year have generated a combined total revenue of more than \$55 Billion over the past two years.

“We are grateful to see that our continued hard work to take care of our customers has allowed us to earn another year on the CRN Fast Growth 150 List. Our strategic, all-in investment in Dell Technologies coupled with our decades of technical expertise has allowed us to outpace our competitors,” said Sonia St. Charles, Davenport Group CEO. “As we pause to celebrate this accomplishment, we also recommit to our customers that we will continue to earn your business and demonstrate our value.”

“Growth and profitability in the channel are noteworthy achievements as today’s channel providers compete in a highly disruptive and fast-paced industry. Ripples of constant change profoundly impact the channel ecosystem — requiring providers to continuously align with changing requirements. The 2019 Fast Growth 150 list recognizes these remarkable accomplishments.

“There’s a great deal of growth and opportunity in the channel, and these companies are proof-positive that hard work and a commitment to service can pay off — even in a constantly evolving and highly competitive market like we have today,” said Bob Skelley, CEO of The Channel Company®. “These companies exemplify the best of the best; channel providers whose market strategies should serve as an inspiration to us all. We’re thrilled to honor these hard-working and well-deserving companies and wish them continued success.”
