## CRN Recognizes Davenport Group on 2022 Solution Provider 500 List

**Lewisburg, TN – June 1, 2022** – Davenport Group, an end-to-end solutions provider and Dell Technologies Titanium Partner, today announced that CRN®, a brand of The Channel Company, has named Davenport Group to its 2022 Solution Provider 500 list.

CRN's annual Solution Provider 500 ranks North America's largest solution providers by revenue and serves as the gold standard for recognizing some of the channel's most successful companies. With a combined revenue of more than \$434 billion, this year's list represents an impressive amount of influence and impact wielded by these companies on today's IT industry and the technology suppliers they partner with.

As an all-in Dell Technologies Titanium Partner, Davenport Group designs, installs, and supports IT solutions built to fit each customer's unique environment. From connectivity to compute, from security to endpoint devices, Davenport Group implements end-to-end IT solutions that transform businesses, schools, and state and local governments. With exceptionally qualified and committed engineers, Davenport Group maintains real and lasting relationships with their customers, helping them succeed through meaningful IT improvements.

"This honor goes to our entire team," says Sonia St. Charles, Davenport Group CEO. "The hours spent in trainings, at conferences, and in data centers all pay off when our customers experience the power of intentional IT solutions. With our partners at Dell Technologies, we know that we can always deliver on the transformational promise of IT. We are honored to be a part of our customers' success stories."

"The Solution Provider 500 list from CRN serves as the benchmark for the top technology integrators, strategic service providers, and IT consulting firms, making it an invaluable resource for technology vendors seeking to partner with today's top-performing IT solution providers," said Blaine Raddon, CEO of The Channel Company. "My congratulations go out to each of these companies for their extraordinary contributions to the continued growth and success of the IT channel."

CRN's 2022 Solution Provider 500 list is available online at <http://www.CRN.com/SP500> and a sample from the list will be featured in the June issue of CRN Magazine.
