## **Davenport Group Named to the 2021 CRN® Fast Growth 150 List**

*CRN® Recognizes the Top IT Channel Providers for Exceptional Performance and Growth*

**Lewisburg, TN - August 9, 2021** - Davenport Group, a Dell Technologies Titanium Partner and end-to-end solutions provider, announced today that CRN®, a brand of The Channel Company®, has named Davenport Group to its 2021 Fast Growth 150 list in 125th place. With this list, CRN recognizes the fastest-growing North American technology integrators, solution providers, and IT consultants for their significant growth and meaningful performance over the previous two years.

The IT channel is a highly competitive, fast-paced environment comprised of solution providers that deliver a complex array of hardware, software, communications, and services. They must think outside the box to differentiate themselves, making sustained growth a notable achievement. To maintain the highest levels of growth, solution providers constantly need to evolve and keep ahead of groundbreaking changes within the marketplace. The 2021 Fast Growth 150 list acknowledges these companies' exceptional accomplishments and ongoing dedication to success.

Davenport Group credits its continued growth to always putting customers first. By fostering real and lasting relationships, the Davenport Group team guarantees that customers feel cared for and supported through the IT transformation process. Davenport Group promises to be there for customers through scoping, deploying, and servicing the right Dell Technologies products for each customer's IT needs. This commitment creates loyal customers that help Davenport Group's business thrive.

"We work hard to serve our customers, and our recognition on the Fast Growth 150 List shows that we're getting them the right technology to meet their business goals," said Sonia St. Charles, Davenport Group CEO and Co-Founder. "With our partners at Dell Technologies, we invest meaningful time and energy into taking care of our customers, which leads to long-term business relationships. Our business grows when our customers succeed, and that's what it's all about."

"In today's unpredictable world, the pace of change within the IT channel is happening at breakneck speed. CRN's 2021 Fast Growth 150 list highlights industry-leading companies within the IT channel and their ability to outpace an ever-evolving market," said Blaine Raddon, CEO of The Channel Company. "The prominent companies on this year's list serve as an inspiration, setting an admirable level of excellence for their peers to follow. We are thrilled to honor these industry-leading professionals and wish them continued success for the foreseeable future."

A sampling of the 2021 Fast Growth 150 list will be featured in the August issue of *CRN Magazine*. You can view the complete list online at [www.crn.com/fastgrowth150](http://www.crn.com/fastgrowth150).
